IN RE: GTE South, Inc. Revisions to) ORDER APPROVING
Access Service Tariff) TARIFF

This matter is before the Public Service Commission of South Carolina (the Commission) on GTE South Incorporated's (GTE's) and Contel of South Carolina, Incorporated's (Contel's) request for approval of their tariffs which establish disaggregated rate elements and revise their terms and conditions for switched transport services. GTE's and Contel's submissions were made pursuant to S.C. Code Ann. §58-9-230(A)(1976).

By letters dated March 31, 1994, the Commission's Executive Director instructed GTE and Contel each to publish one-time a prepared Notice of Filing to advise interested parties of the tariff filing and of the manner in which to participate as a party of record. GTE and Contel complied with this directive. AT&T filed Petitions to Intervene in both dockets. Subsequently, by letter dated May 20, 1994, AT&T notified the Commission that it had resolved its concerns with GTE and Contel and wished to withdraw its interventions.

The Commission has reviewed the tariffs submitted by GTE and Contel and finds and concludes that they should be and are hereby approved.

IT IS SO ORDERED.
